Welcome Atascadero Middle School Families!

The beginning of the school year is quickly approaching and it is with great delight that we welcome you and your students to our school. Whether you are returning, or this is your first year at Atascadero Middle School, we are excited to get to know you and your students. We want to extend a special welcome to the newest members of our AMS community, our incoming 6th graders. It will be very exciting to once again have everyone back on campus together.

As we embark on a brand new school year, it is our top priority to have every student feel welcomed, connected, and actively part of our Atascadero Middle School community. We challenge each student to grow in his/her academic ties, surround themselves with positive peers, and ultimately practice the skills and confidence necessary to successfully transition to high school and beyond. Understandably, many families may have questions about potential requirements related to COVID-19. AMS remains committed to student and staff safety. We will continue to to take medical guidance from the California Department of Public Health. As such, students and staff shall wear masks while inside the AMS main building and/or inside any classroom setting. Masks continue to be optional while individuals are outdoors. We appreciate your continued support in these matters.

We recognize that the transition to middle school can be a challenging time for students moving from elementary school. We strive to support all students during this critical time in their lives and feel fortunate to work with this age group each day. Our collective efforts to build strong connections among students has never been more important. With this in mind, we are very excited to announce the start of our new W.E.B. 6th grade mentoring program.

W.E.B, which stands for "Where Everybody Belongs" is a middle school orientation and transition program that welcomes 6th graders and helps them feel more comfortable throughout the first year of their middle school experience. Built on the belief that students can help students succeed, the program trains mentors from our 8th grade class to be WEB leaders. As positive role models, 8th grade WEB members are mentors and leaders who guide 6th graders to discover what it takes to be successful during the transition to middle school and help foster middle school success.

I'd like to invite you to visit our school's website www.amssaints.org. This will serve as a resource for upcoming events, critical links, important reminders, and teacher websites with class resources and information. Grades and attendance will be posted on Aeries on a continuous basis. Assignments are located within each teacher's Google Classroom, accessible through Classlink. Be sure to check the AMS website often to stay current with the school events. We also encourage our entire AMS community to demonstrate school spirit by wearing orange and blue each Friday. Visit our website and click on AMS Clothing and Gear, under the School Information tab, to design and purchase AMS apparel.

Please note the following important dates. All 6th, 7th and 8th grade students will pick up class schedules, pick-up textbooks from the AMS library, and have school pictures taken for their ID cards and yearbook. 7th and 8th grade students will also purchase PE clothes. Please have Data Confirmation completed before arriving for Schedule Pick-up.

Last name L-Z, Tuesday, August 3rd: 8:30 a.m. – 12:00 p.m. and 2:30 p.m. - 6:00 p.m.

Other important dates:
Tuesday, August 10th: 1:00 p.m. – 3:00 p.m. All 6th Graders -- Meet your WEB Mentors
Tuesday, August 10th: 3:00 p.m. – 4:00 p.m. 6th Grade Parent/Teacher Meet & Greet
First Day of School: Wednesday, August 11th 8:15 a.m. – 2:53 p.m.
AMS Back-to-School Night: Wednesday, August 25th at 6:00 p.m.

The 6th Grade Meet & Greet and our Back-to-School Night are great opportunities to meet the AMS teachers and become acquainted with campus. Please be sure to come!

We look forward to seeing our students during the upcoming days for their class schedule pick-up, and officially welcoming everyone back on the first day of school, Wednesday, August 11th. The first bell will ring at 8:11 a.m. and the tardy bell will ring at 8:15 a.m. Please be assured that we use the first few days of school to greet our students, and help each student feel as comfortable as possible while we assist them in finding their classes. It is our procedure to have each teacher greet students at their classroom door. Additional support staff and administrators will monitor the hallways and help students find their classrooms. We are in eager anticipation of having our campus filled with that positive middle school energy that has been missing for so many months! Please note that all AUSD schools have *late start Fridays.* School will begin at 9:15 am every Friday morning.

Beginning August 11th all students will enter campus through the main gate located in the front of the school. Bike racks are located nearby in the staff parking lot at the front of the school; scooters and skateboards will be housed in a closet located in the main office. Please be sure to remind your student to bring a lock if he/she is riding a bike to school; and please remind them to wear a helmet! Additionally, before and after school drop-off/pick-up is congested with the release of AMS, Fine Arts Academy, and the AUSD bus hub. Please be conscientious of the many students (elementary through high school ages) crossing the street as well as the high volume of cars. A friendly reminder that all students and adults must use the crosswalks. Patience is key in order to keep everyone safe. Thank you for your help!

Enjoy the remaining days of summer and we look forward to seeing you soon.

Warmest regards,

Will Wallace
Interim Principal

A Guide for Volunteers at Atascadero Unified School District

LEVELS OF SERVICE YOU WOULD LIKE TO PROVIDE:

Visitor:

Visitors come to the schools for various purposes. They have limited contact with students. As provided in Education Code 45125.1(c), limited contact will be determined by the District based upon the totality of circumstances, including factors such as the length of time the volunteers will be on the school grounds or whether students will be in proximity to the site where the Visitors will be. Example of a Visitor are:

a. Meeting with a staff member
b. Having lunch with your child
c. Presentation in the classroom
d. Observation hours for a University
e. Tour a school site with a Principal.
f. Attending a school event or activity

Volunteer/Chaperone Process at Atascadero Unified School District:

Volunteers and Volunteer/Chaperones have contact with students and come to the schools to help in a variety of ways. Duties as volunteer or volunteer/chaperone require your full attention. Only students enrolled in the class or activity you are volunteering with are allowed to participate with you in the classroom or in the office. If you wish to volunteer, please follow the process below:

Paperwork for #2 and #3 are to be turned in to your site secretary. The secretary will need to scan your Driver's License to verify the information you have filled out on your paperwork. This is also our Megan's Law check.

Volunteers:

1. Online Pre-Volunteer Application ~ **If you have completed this before and are already on the "Approved Database", you do not have to do this again.** If you have not completed this before, please complete this **ONLINE** Application. Click on the link provided below. This places you on the Volunteer database. Once approved, you will be able to login under Volunteers, when going on campus. This also allows you to receive emails on the process of your application.

- English Application
- Aplicación en Español - botón siguiente en la parte inferior derecha aplicación en Español

2. Volunteer Application/Agreement Form ~ Please complete a Volunteer Application/Agreement form (2 pages) for each school site you wish to volunteer. Click on the English or Español version below. You may also pick it up at the school site. **The form is valid for one school year only.** For the 2021-2022 school year, turn in your new 'paper' form to the site secretaries **WHEN THEY RETURN IN AUGUST.**

- Volunteer Application/Agreement Form

3. TB clearance/TB Risk Assessment ~ **You do not have to turn one in if you have a current one on file**. Please attach a copy of your current TB clearance with your Volunteer Application/Agreement form. (TB clearances are good for 4 years from the date of the clearance). If you have had one in the last 4 years, we will just need a copy of it.

*** As an option, we also accept TB Risk Assessment's. This consists of a series of 5 questions. If you are not considered of "high risk" after answering the 5 questions, the doctor's office will clear you immediately. MED Post in Atascadero, (805-703-2501), 7330 El Camino Real OR Paso Robles (805-226-4222), 500 1st Street, offers this assessment. There is a $20.00 fee. When calling to make an appointment, YOU MUST SPECIFICALLY ASK FOR THE **"TB RISK ASSESSMENT for Atascadero Unified School District"**, otherwise they will automatically give you the TB shot and the fee will cost more. If you ARE considered of High Risk, they will give you the shot right then and there and the fee is still $20.00. The Health Clinics in Paso Robles and San Luis Obispo also offer the TB Risk Assessment.

Chaperones:

Fingerprint Clearance ~ If you plan to Chaperone on any field trip or plan to work alone with students, you **MUST** have Fingerprint Clearance. If you will be driving a school vehicle to transport students you will also need to be fingerprinted. Children under your care or supervision, who are not part of the classroom roster, cannot attend a field trip.

***Please CALL Loni Twisselman at 805-462-4215** for information regarding this process and for the required form you need to take with you to your appointment. The **FORM CAN BE EMAILED TO YOU**, saving you a trip to the office. Fingerprints must be processed **through the San Luis Obispo County Office of Education and it must be specifically for the School Districts in the County.** **Police Department fingerprints are NOT accepted.** **Make sure to start on this process very early as fingerprints can take 2 days to several weeks to clear. **The cost is $80.00 effective July 1, 2019**. It is a ONE TIME fee and you are on the Atascadero Unified School District's fingerprint list for LIFE!

Thank you very much for volunteering!!

Cell Phone and Electronics Policy

Cell Phones, Electronics and Earbuds

Unrestricted use of smartphones by pupils at school during the school day interferes with the educational mission of the schools, lowers pupil performance, and can contribute to cyberbullying, distractedness, and anxiety.

Cell phones are not necessary for communication while at school; school telephones are available for student use upon request. Messages from parents/guardians will be delivered to students during school hours in cases of emergencies.

However, students may carry cell phones at their own risk. All cell phones and earbuds must be turned off and put away once a student enters the school boundaries. These devices must remain off and concealed at all times -- unless explicitly permitted for an academic reason within the classroom environment..

Consequences

FIRST OFFENSE: Verbal reminder. Staff will remind student of the AMS cell phone/electronics policy.

SECOND OFFENSE: Verbal warning. Staff will remind student of the AMS cell phone/electronics policy.

THIRD OFFENSE: Parent Contact. The parent will be asked to speak to their student (over the phone or in-person) and/or staff to discuss the cell phone policy.

SUBSEQUENT OFFENSES: Parent Contact and a conference setup. The parent will be asked to come to the school to discuss a plan to support enforcement of the cell phone policy.

Note: Students who repeatedly refuse to comply with the cellphone policy may be assigned consequences, including but not limited to Saturday School.

Note: Earbuds and other electronics are only to be used in the classroom when permitted by the teacher and are not to be visible or in-use on school grounds. Students will be asked to turn in earbuds and other electronics to office staff if they are visible and/or in-use outside of class.

The Parent AND Student must accept the above policy through Aeries Data Confirmation

LUNCH, BREAK AND CAFETERIA INFORMATION

Lunch periods spent with friends sitting in the sun on the grass, in the cafeteria or tossing a ball are some of the best times associated with the middle school experience. However, being able to enjoy your lunch time and breaks with friends is a privilege based on your behavior. While lunches and breaks are a wonderful diversion from the classroom, it must be emphasized that for the safety and cleanliness of our campus we have expectations for all of our students.

Expectations: All students are expected to have polite manners and consideration for others while in line, interacting with the lunch staff, sitting at the tables, eating and during any other activity during the break or lunch periods. AMS students are expected to make smart and appropriate choices at all times on campus. Not following the directions of staff who oversee the safety of the campus will require a meeting with the yard supervisor and/or Assistant Principal for a possible consequence.

Procedures: All students wanting to purchase food from the cafeteria must wait in the designated lines AND must be in line **prior** to the bell ending the break or lunch period. The lines are to be single file and are designated by black tape on the floor. Student ID numbers are required to make purchases if you have credit on file with the cafeteria; it is encouraged that students memorize their student ID. Students may only be in line if they will be getting food and/or drink(s).

Rules:

While waiting in line:

- There will be only one student at a time at a window
- There will be no cutting or saving places
- There will be no "horseplay" – hands will be kept to oneself

While eating inside:

- Students will stay seated
- Students will be safe, responsible and respectful
- Students will maintain appropriate volume

While eating outside:

- Students will stay within designated eating area
- Students will be safe, responsible and respectful

Consequences: Should students engage in behavior above or any other behavior deemed unsafe or inappropriate they may lose future breaks and lunches, to be spent in an alternative designated area and/or they may be assigned Campus Beautification (trash pick-up).

The Parent AND Student must accept the above policy through Aeries Data Confirmation

Atascadero Middle School

Parent AND Student must accept the above policy through Aeries Date Confirmation

WEB ORIENTATION AT ATASCADERO MIDDLE SCHOOL

SAVE THE DATE

TUESDAY, AUGUST 10

1:00 - 3:00
(Students only)

3:00 - 4:00
(Teacher Meet & Greet w/ Families)

Hello 6th Grade Parents!

We are very excited that your child will be attending Atascadero Middle School and we look forward to seeing them at our 6th Grade Orientation Day on ***TUESDAY, AUGUST 10th.***

WHAT IS WEB!?

WEB is a nationwide program designed to welcome and support 6th graders by connecting them with WEB Mentors, who are positive, responsible, hand-selected 8th graders. Your student's WEB Mentors will help them feel more comfortable as well as help them achieve success in their first year of middle school. Mentors can also answer any questions your 6th grader may have throughout the year. Doesn't that sound great? It is!

WHAT HAPPENS NEXT?

1. EMAIL: Your child will receive an emailed invitation to the AMS Orientation Day from their 8th grade Mentor soon. If they have not received the email by **THURSDAY, AUGUST 5th**, please email Mr. Jones at jeffjones@atasusd.org to request one.

2. AMS ORIENTATION DAY: On **TUESDAY, AUGUST 10th**, your 6th grade student will meet their 8th grade WEB Mentors and Teacher Coordinators in their small group from **1:00 - 3:00**.

As much as you may want to join in or watch over the shoulder of your child, 6th grade orientation is for **STUDENTS ONLY**! However, we would love to see you at our 6th Grade Teacher Meet and Greet that is happening from **3:00 - 4:00**. (Immediately following the WEB Orientation). This will be a great opportunity for students and families to meet their teacher.

We look forward to meeting your AMS 6th Grader at Orientation Day!

Sincerely,
Ms. Duperron, Ms. Ferrell, Mr. Jones, Mrs. Moore
