

Dear Parents and Guardians of Secondary Schools,

I wanted to let all of you know that we have made a couple of small adjustments to our distance learning schedule for our secondary students. We have been working collaboratively with our Teachers Association and a representative group of parents of secondary students. We believe these adjustments will benefit our students and make sense to parents. This new distance learning schedule will begin on September 28, 2020. Please see the new secondary schedule below and look for more information from your school site.
