October 30, 2020

Dear Parents and Guardians,

Thanks for all that you have done to support your children and our schools. As we begin our initial phase of reopening our school campuses on November 2, 2020, with our TK-2nd grade students I wanted to take a moment to share the health and safety expectations.

Prior to arriving to school campuses we are requesting that parents have their children wash their hands with soap and water before leaving for school. Please make sure that your child has an appropriate face covering and is wearing their face covering when entering the school campus. Students and staff will use hand sanitizer upon entry and exit of the classroom. Attached you will find a Daily Health Checklist for parents to complete with their children before leaving the home. If your child is sick, please keep them home and consult your health care provider.

The dates for reopening our school campuses are as follows:

TK-2 nd Grade, Preschool, and Intensive Special Education Classes	November 2, 2020
3 rd -5 th Grade	November 16, 2020
6 th -12 th Grade	January 5, 2021

In addition, please see the attached SLO County Public Health *Pathways* to return to school in regard to COVID-19.

Thanks for your ongoing support of AUSD.

Sincerely,

Tom Butler
Superintendent
